

Community Through Youth Sport Foundation

Improving the Central Indiana Community Through Childhood Development

Dear Fellow Educator,

Thank you for your interest in bringing USA of Indiana's Award Winning Have A Ball fitness programming to your school. Will you please review the following pages and then contact us to learn more?

Contact USAI Program Director DirectorOperations@UnitedSoccerAllianceIndiana.org

How it works:

USA of Indiana will provide:

1. Licensed and background checked professional soccer educator.
2. All necessary equipment includes a soccer ball for each child, disks, cones, goals.
3. A fun state curriculum approved training session during regularly scheduled PE class.
4. Flyer for each child if requested by school at USAI cost.

School will provide:

1. Post a USAI provided timeless flyer on the school's parent portal for at least 1 year.
2. Send an email to each parent via the school's communication system welcoming USAI to the school "next week" that includes a live link to posted flyer and also to USAI site for more information.
3. A dry outdoor field or a gym for each class.
4. PE instructor in attendance during entire session.
5. PE instructor to distribute flyer to each child if requested by the school.
6. Send an email to each parent via the school's communication system thanking USAI for coming to the school "last week" that includes a live link to the posted flyer and also to USAI site for more information.
7. Payment of \$250 per day if any of the above school requirements are not provided.

January 21, 2016

Dear Physical Educators and Athletic Directors,

I am writing to inform you of a wonderful partnership opportunity that could bring the sport of soccer to our young people. USAI Soccer visited my physical education classes in the spring of 2015 to build interest among our students in the sport of soccer. Many students play soccer when they are young and some continue through high school or beyond, but we have struggled to provide instruction in our middle school PE classes because we often have 70-90 students in a gym at any given time. We strive to expose our students to a multitude of physical activity options in an attempt to help them find something of personal interest, but sometimes have to cut out entire sports for safety reasons.

USAI allowed us to re-integrate modified soccer instruction in a large class setting, FREE of charge. They brought their own equipment to supplement ours, so all students were able to participate in ball handling challenges. Some of the students who were knowledgeable and skilled in soccer were given the opportunity to share what they knew, and students with less or no knowledge and skills were able to participate in leveled individual challenges. Students were highly engaged, met our objectives of keeping heart rate raised for a sustained period of time and giving best effort through entire activity, and had smiles on their faces. There were lots of high-fives and laughs to go around. The staff of USAI was highly professional and worked with us to provide an experience that fit our needs. Their enthusiasm and flexibility was appreciated, and their rapport with students was excellent.

I highly encourage you to consider allowing USAI to bring their expertise to your classes or before-/after-school programming. They are already on the approved volunteer (background checked) list for Brownsburg Schools and are familiar with our security and sign-in procedures. If you are interested in bringing them to your students, please contact Theron Smith at theronpromotes@gmail.com. Also, I would be more than willing to address any questions or concerns you may have regarding their programming.

Thanks for your time

Cassie Brooks

Pike Soccer Club

Have A Ball

"Pike Have A Ball" is a mobile "Introduction to Soccer" class for school children, K-8th. Have A Ball's fine and gross motor development fitness physical education class is taught by experienced youth soccer instructors.

"Wow! That looks like so much fun!!! It's awesome!"

*Terri Thayer
Physical Education
Central Elementary School*

"We have had two great days of soccer with Coach Dan and Coach Theron and we look forward to more. Regina was right on target with their coaching styles and their adaptations to grade and skill levels. They challenge each student at their level and offer positive feedback and encouragement all day long. The students are having a great time practicing all their skills, and the class flies by way too quickly. I'm "Having A Ball" too as one of the players while I'm assisting and supervising the kids. It's a great 5-6 hour workout! This program is a great experience for the students we serve in Pike. In

the first two days, I have had a large group of kids drastically increase their love and appreciation for the game in one class period. Plus, it's a great way to generate interest for the free summer camps available to our kids with Coach Rob Jordan and Coach Theron Smith and increasing interest for kids to pursue soccer in the recreational soccer programs

available in our area. It's a fantastic program to bring into school. Thanks for getting it started and special thanks to the coaches for offering up their time and expertise to our students."

*Laurie Wanser
Physical Education Teacher
College Park Elementary School*

"Once again, the students and I had a fantastic time with Dan and Theron. Their personalities as well as their genuine love for teaching children shines through. I feel it a privilege to be able to host them at our school. It is always good to learn the fundamentals of a skill from the experts if possible. Thanks again for organizing and coordinating this wonderful program."

*Regina Nowak
Physical Education
Snacks Crossing Elementary School*

"Thank you so very much for bringing your expertise to New Augusta North! The "Have A Ball" program is wonderful, active, and meaningful. I truly believe that my kids are better sportsmen and sports women because of you. Thank you for being who you are, and for caring so much about us."

Respectfully and sincerely, Jane

*Jane E. SeEVERS
Wellness Instructor
New Augusta Public Academy, North Campus*

Have a Ball Program

What is "Have a Ball"?

Community Through Youth Sport Foundation and United Soccer Alliance of Indiana provide a "Have A Ball" program for P.E. classes. USA of Indiana's "Have A Ball" is a mobile "Introduction to Soccer" physical education class for children, K-8th. Have A Ball's fine and gross motor development fitness class is taught by experienced youth soccer instructors. As "Have A Ball" takes place during your regularly scheduled P.E. class, the P.E. instructor is also in attendance. "Have A Ball" supplies all equipment and balls. Please contact USA of Indiana to determine if your school is eligible. "Have A Ball" provides school children opportunities to grow, learn, and have fun through sport with the mission to "Develop Fine Young Men and Women, One Child at a Time."

"Have A Ball" Rationale

"Have A Ball" compliments the school's P.E. educational focus on wellness while developing the physical, mental, and social well being of each student. Instruction and participation in a variety of experiences enables the student to assess his/her own capabilities and limitations as well as stimulate self-discipline, develop and improve motor skills and physical fitness levels. Character building traits such as sportsmanship, leadership, cooperation, sociability, creativity, and fair play are emphasized. "Have A Ball" provides a carefully planned experience that results in knowledge about the value of physical activity, the components of physical fitness, essential motor skills, and the social qualities that make for effective citizenship.

"Have A Ball" Class Features

- *Professional instruction from United Soccer Alliance of Indiana
- *Soccer Fundamentals
- *Clinics offered for each PE class at each school
- *Fulfills the school's soccer block programming

"Have A Ball" Curriculum

- *Warm up/stretching
- *Fun foot work with the ball
- *Play small group games
- *Scrimmage game

"Have A Ball" Class Staff Includes United Soccer Alliance of Indiana staff

Theron Smith, Director of Coaching
Junior Miranda, Director of Coaching
Will Pfaffenberger, Soccer Director
Shane Rice, Director of Operations
