ALL TRAVEL: Each team is to bring ½ of the fee in cash in denominations that do not require the referees to make change. Only pay the referees who are in attendance. If a referee does not show, the teams keep that referee's fee. **If the game does not start due to weather and is not played, the referees do not get paid. If the game begins but is called because of weather, the referees keep their fees.** Referees are to be paid prior to kick off.

*All USA of Indiana hosted games 9v9 & 11v11 use volunteer Club Refs for AR's when 3-person crew is not available. For all games: Volunteers/Team Parents/Spectators may be used if licensed Assistant Referees are not available. These Volunteers can only make out of bounds calls and do not receive payment. **Only Licensed Referees in proper uniform attire receive payment for the game.** Payment is only for the ONE position assigned; a Referee should never receive payment for more than one position. Each Referee is individually paid.
